

RUAPEHU HUTS & BOOKING INFORMATION

The Alpine Sports Club owns two lodges at Mt Ruapehu, the A Frame, built in 1966, sleeping 32 and the Bunkhouse AKA 'The Old Ruapehu Hut' built in 1950, sleeping 20.

The landline to the Aframe is discontinued in 2025. Contact is through the hut operations officer, Ian Seddon on 027-431-3799 or via email below. Consult Alpinesport in case things have changed.

Hut Warden, email: aframe@alpinesport.org.nz.

The two lodges are situated close together in the Iwikau Village, to the west of the Top of the Bruce Road, at a height of about 1650 metres. Please see location map in the club Handbook.

All the work involved in running the two buildings is done by Club members. All building, repairs, maintenance and carrying up of stock and supplies is done by club members. Members and their guests are therefore asked to be considerate when using the huts.

HUT BOOKINGS

To move bookings you must do this on the same booking number (edit the booking, enter the new dates and then delete the old dates). Payments can now be transferred between booking numbers. Guests: Each member's booking may take up to four guests, accommodation being requested for them on the booking system. Group Bookings: A limited number of weekends and unlimited mid-week periods could be available for groups of friends and associates wishing to hire a whole or part of a hut. Please contact the club on bookings@alpinesport.org.nz for availability.

Summer Bookings

Making Changes to to your Booking.

You can change your bookings in two ways.

If you keep the same date you can add or delete bunks from your booking (but keep at least one bunk). Use the red button on the left of the list of bunks to delete a bunk.

If you change the date you will need to delete The bunks in your booking and the bunks you require on the new date. Before you delete your booking you should check to see if bunks are available on the new date that you wish to change to. Do this by selecting the ASC Huts/Mt. Ruapehu Bookings/Bunk Availability Report.

If you wish to proceed with a change of date then you need to select the "My Bookings" option. Go back to the main menu and select ASC Huts/Mt Ruapehu Bookings/My Bookings. Select the booking you want to change and click on "Edit". Then cancel the bunks you want to delete using the red button on the left and then select the new dates you want. Then you can select the bunks you want and continue as if you were making a new booking. When you go to payments the system will credit the value of your canceled bookings to your new booking and charge the balance. If there is nothing to pay then the bookings will be confirmed without going to the payment section.

Any positive sum remaining will remain available until cleared at the end of the season. Note that no refunds will be made on the sum accrued except under exceptional circumstances. Any refunds on sum remaining will only be available at the end of the season. Refunds will require to be reconciled by the treasurer and are only paid at the discretion of the committee. Reconciliation will necessarily include an allowance for the credit card trader fee that the club incurs on all bookings and transactions paid for by credit card.

- To make the changes, first logon with your email and password.
- Select ASC huts/Mt Ruapehu Bookings/My Bookings from the main menu.
- Select the appropriate booking from the list (if there is more than one).
- Delete the bunks from your old booking date if you are changing the date.
- Select the new dates if you are changing to a new date.

- Select the additional bunks that you want to add to the list.
- Fill in any details and then click Update Order.
- Follow the instructions to payment as before.

Note that if you are adding guests to your booking you will be asked for their details including their date of birth. When you click on the DOB field a calendar menu will appear. Select the month and day and then click on the year. A drop down menu will appear that will allow you to select the correct year of birth.
